**What is a UW NetID**

UW NetID stands for **U**niversity of **W**ashington **N**etwork **I**dentification. Your UW NetID and password are your account for accessing your UW information and other online services.

**Creating a UW NetID for someone else? Stop now!** UW Privacy Policy prohibits anyone--such as family members, new-hire coordinators, coworkers and supervisors--from creating a UW NetID for someone else.

To begin, choose an option below.

- I already have a UW NetID
- I have a UW NetID but no password
- I don't have a UW NetID (or I'm not sure)

**Select the "I already have..." button and click "Next"**

**Need help?** Call UW Technology at 206-221-5000.

Important information about your UW NetID:

- Your UW NetID is active whenever you are associated with the UW.
- If you happen to have two or more UW NetIDs now, they will eventually be combined into one.
- Your UW NetID and UW email address will not change, even if your name changes or your association with the UW changes or you leave and later return.
